PROFIT WARNING

This announcement is made by IBI Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and the potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group, the Group is expected to record an unaudited net loss of approximately HK\$2.4 million for the six months ended 30 September 2022 (the “**Period**”) as compared to an unaudited net profit of approximately HK\$12.4 million for the six months ended 30 September 2021. The aforesaid expected decline in net profit was primarily attributable to i) the exchange losses arisen from the decrease in foreign currency exchange rates against the Hong Kong dollar and ii) increased gross profit recognised for the six months ended 30 September 2021 due to the timing of the conclusion of a number of final accounts.

As the Company is still in the process of finalising its unaudited consolidated interim results for the Period, the information contained in this announcement is only based on a preliminary assessment by the Board of the unaudited consolidated management accounts of the Group for the Period and information currently available to the Board, which have not been audited by the auditor of the Company, nor have been confirmed by the audit committee of the Company and is subject to adjustment. Details of the financial information and performance of the Group for the Period will be disclosed in the interim results announcement of the Company, which is expected to be published in late November 2022 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
